

Wellington Estates

Letter from your Executive Director

Dear Residents, Staff & Caregivers,

May has arrived with all our hopes for a gorgeous spring! What a surprise to have summer-like temperatures between wintry days! I love the spring flowers and hope that we don't skip the whole season! We have a lot going on at Wellington, as you know. Men all over the building, scraping, painting, moving and shaking!!! Some of our furniture has been delivered and we are well on our way to what will undoubtedly be.....a most beautiful community!! While the work seems "scattered" to most of you, there are so many moving parts to this project that we are trying to just keep the workmen "working" each day rather than waiting for materials to be delivered. Our backyard project goes before the Wall township planning board on May 21st so I am looking forward to hearing about a starting date. We would love to be able to use our beautiful grounds as quickly as possible. We also have plans in the works for the front of our building which includes new trees, seating areas, an "al fresco" dining area. All in all, I feel that you will really love all the proposed projects that are currently in the design phase. One last thing to note..... once the papering and painting has been completed and furniture in place, the last thing will be wall hangings, furniture pillows, table decorations, etc. None of those additions will be made until everything is in place, as we want the addition of beautiful accompaniments, not clutter. I think you will all be very happy and proud to call Wellington Estates, "home".

Alexis

Dear Residents, Families & Staff.
Spring has arrived and summer is knocking at our door.

We are excited to get out for fresh air, walks on the board walk, gardening and seeing the llamas.

Mother's day and Memorial day are upon us...looking forward to the barbecuing and enjoying the nice weather on the patio with friends. We have a lot of plans for the next few months.

Nataasha Ulysse

Director of Arts & Entertainment
