

Wellington Estates

Letter from your Executive Director

Dear Residents, Staff & Caregivers,

I would like to extend a Happy New Year to all our beloved residents! I hope that this holiday season, and the year that follows, bring you continued health, love and most importantly, time with your family. Personally, I enjoyed the holidays “way too much”, indulging in an abundance of foods and sweets, and a love fest with our children and family. Our house seems empty now with the kids, spouses and Cody, the hound dog all back home!! There is a lot of exciting things on the horizon, both personally and at work. I found out that I am going to be a grandmother this June!!!! First time for me, so I am super excited!!!!

At Wellington Estates, the renovations will be ending shortly!!!! Our movie theater and lounges are in the completion phase and the finishing work and plantings will complete “Wellington Park”. We are very excited to finally enjoy the beautiful property that our owners have created for us!! Come this spring, when the weather gets warmer, I expect everyone to get out and get active!!!! Enjoy our walking path, koi pond, putting green, bocce ball court and gazebo!!!

Additionally, and very exciting, the Department of Health has approved us for the “Advanced Standing Program”. This program entitles us to earn a distinction for “excellent care and services”. Towards that goal you will observe several professionals inspecting our community, reviewing our care and medical records, and assessing our abilities to maintain an environment conducive to a healthy, safe and happy lifestyle. Additionally, we will be conducting a satisfaction survey in March or April. If we earn this distinction, we will join the ranks of approximately 70 communities who have earned it as well. Keep in mind that there are over 220 assisted living communities in New Jersey, so to earn this distinction will be a great honor!!

On behalf of my staff, I am grateful for the trust you place in us and look forward to enjoying all the new and beautiful changes to our community with you!!

Alexis
